LOT

96 Group of three to W. Booth, Deputy Commy. Genl.: Military C.B. (gold); M.G.S., ten bars Cor., Tal., Bus., Sal., Vitt., Pyr., N'lle, Nive, Ort., Toul.; badge of the Legion of Honour (second restoration). *Rank has been altered on M.G.S., otherwise all very fine.* 3 — £200 0 0

∴ Accompanying are numerous papers and a photograph of the recipient wearing his C.B. A manuscript biography tells of Booth serving with Sir John Moore's army in the retreat to Corunna; of his feet being frostbitten; and of him returning to England on crutches. He returned to the Peninsular Army in 1809 "and joined Sir Arthur Wellesley's headquarters before the advance to Talavera. He was never absent for a single day on account of illness and made every march from Abrantes in June 1809 till the termination of the war at the end of 1814 when the army embarked from Bordeaux. From the time of the siege of Badajoz (April 1812) the charge of the Commissiariat of Accounts in the Field devolved on him—which he held throughout the war."

Booth seems also to have done a certain amount of work for the Duke of Wellington on his overseas estates, and a packet of letters includes a number signed by the Duke. There is also a pair of cuffs made from the front of one of the Duke's shirts.

NOTE.—Foster states that first three bars are disallowed on the Medal Roll, but appear in appropriate Army Lists.

On the average we issue twelve Coin catalogues a year, some of which are usually of sales of important collections. The **priced catalogues** are posted to subscribers as soon as ready. usually about three weeks after the date of sale and the subscription is . . . .
